

# Library Adventure

Welcome to your library adventure! Get ready to discover and explore. You will have 30 minutes to conquer the items below. To prove you have prevailed in each adventure, one explorer in your group needs to provide photographic evidence of completing the challenge.

Share your pictures on Instagram (either on your stories or your posts) and tag @hbll\_nso. DM if you have a private account. See your photos showcased in the library after the event!

1

Check out a single book one person in the group would like to read.

2

Find the largest, quietest place to READ or study in. (2nd floor)

3

Find a group study room 2714.

4

Find the comfiest chair.

5

Find a unique piece of art.

When you have triumphed in all five adventures, please journey to the Research and Writing Center to show your photographic evidence and be rewarded for your efforts!
